

**March 8-12, 2024**  
Hosted by Motlow State CC  
at the Nisbett Center

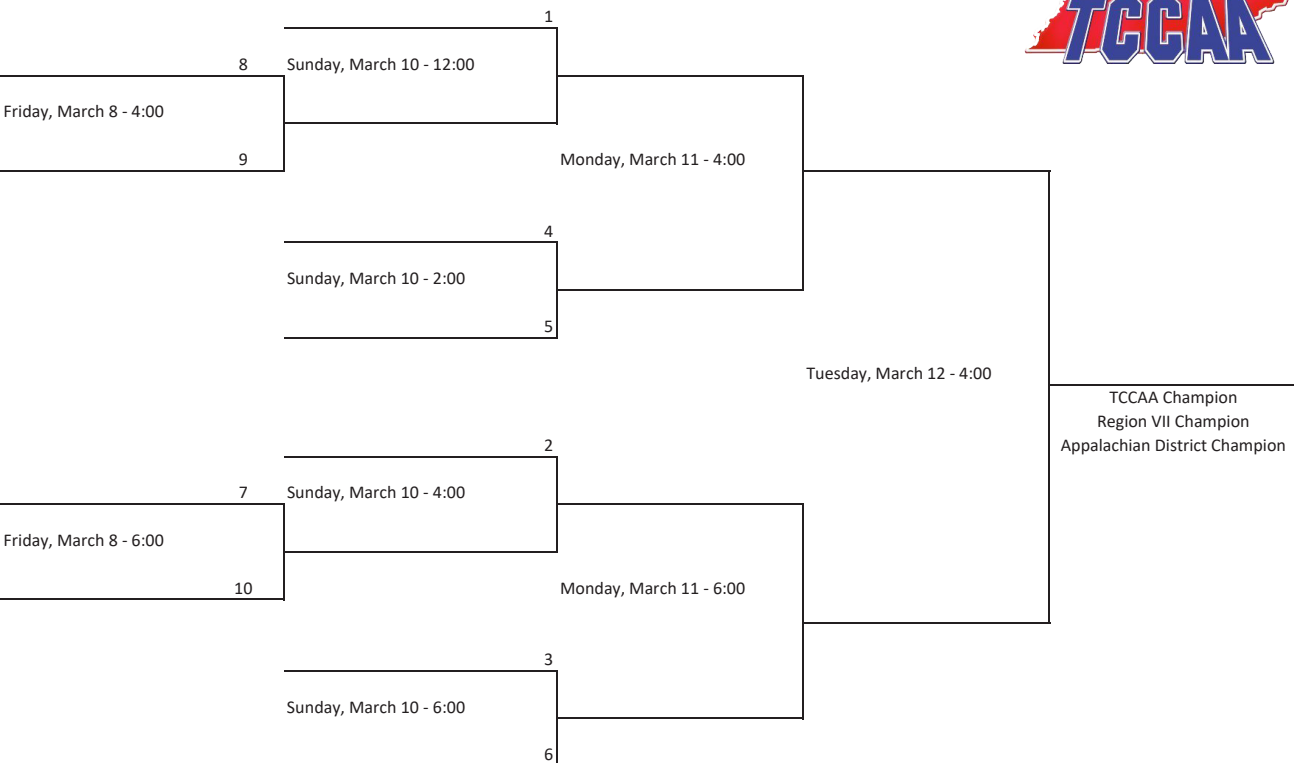

**MOTLOW STATE**

Men's Bracket

Women's Bracket

Greetings All:

What a wonderful opportunity to welcome you to Motlow State for the 2024 TCCAA Men's and Women's Basketball Tournaments. To bring a bit of March Madness to Moore County, Tennessee is exciting.

It has been quite a while since Motlow hosted the tournaments. As much as things have changed, things remain including our welcome mat loaded with southern hospitality. As you come into the Motlow Community, internally and externally, you will be received graciously as our communities have prepared for your arrival. We want your stay to be the best. Our hospitality industries, hotels, and restaurants, are expecting you. Our Chambers of Commerce partners joined with us in promoting the tournament. Our students, faculty, staff, and Board of Trustees welcome you.

We welcome and thank Mike Campbell, TCCAA Assistant Commissioner, and Dr. Chris Whaley, TCCAA President, for exemplary leadership of our athletic programs. Thanks to the committed athletic directors, coaches, managers, volunteers, and parents for investing in student-athletes and all athletic programs. For generations, TCCAA has been the door through which thousands of student-athletes enrolled, persisted, and graduated college. They are now leaders, coaches, teachers, and more in our colleges and communities across the state.

We tip our hat to Dr. Chatney Spencer, tournament director, who has done an outstanding job bringing the Motlow team together to host this event. Lots of people have given many hours to ensure the success of the tournament.

You are on the most beautiful campus in the state. You are among the most hospitable people you will ever find. Allow us to serve you while here. Enjoy the tournament and the town.

Welcome to Motlow State!

Cordially,

**Michael Torrence**  
President, Motlow State Community College

## TCCAA President's Welcome

Tennessee has a history in athletics that is rich and vibrant. As an Association of community colleges we believe in opportunity of all kinds. Our institutions provide the highest quality education at the most affordable prices. Engagement in athletics at one of our colleges provides the best of both worlds - a great education and the opportunity to shine in the sport of your choice.

As President of the TCCAA, I lead a group of committed CEO's who fully understand the value of athletics in our colleges and across the state. We are working to strengthen this association because we know we can be one of the very best in the country. Recently, we have seen a significant upsurge in the development of additional sports programs - further evidence of our dedication to the student-athlete.

On behalf of the Tennessee Community College Athletic Association I offer our assistance and best wishes.

**Dr. Chris Whaley**  
President, Roane State  
Community College & TCCAA
